Felipe Cardenosa a.k.a AVK

Colombian video jockey and audiovisual artist based in Barcelona, co-founder of **The(22)Studio**.

His work merges live camera input, real-time generative visuals, and 2D/3D content, focusing on the relationship between image and sound in live performance.

With a background rooted in the underground electronic scene and extensive experience across clubs, festivals, and large-scale events, he has collaborated with artists and music-driven projects such as **Love of Lesbian, Mucho, Sidonie**, and performed at major festivals including **Primavera Sound, Mad Cool, Santander Music and Brunch Electronik** across Barcelona, Madrid, Paris, and Lisbon.

Brunch Elektronik,
Primavera Sound 2024

Since 2018, he has been a regular visual artist for **Brunch Electronik**, **Hivernacle**, **Brunch Festival**, **OFFSónar**.

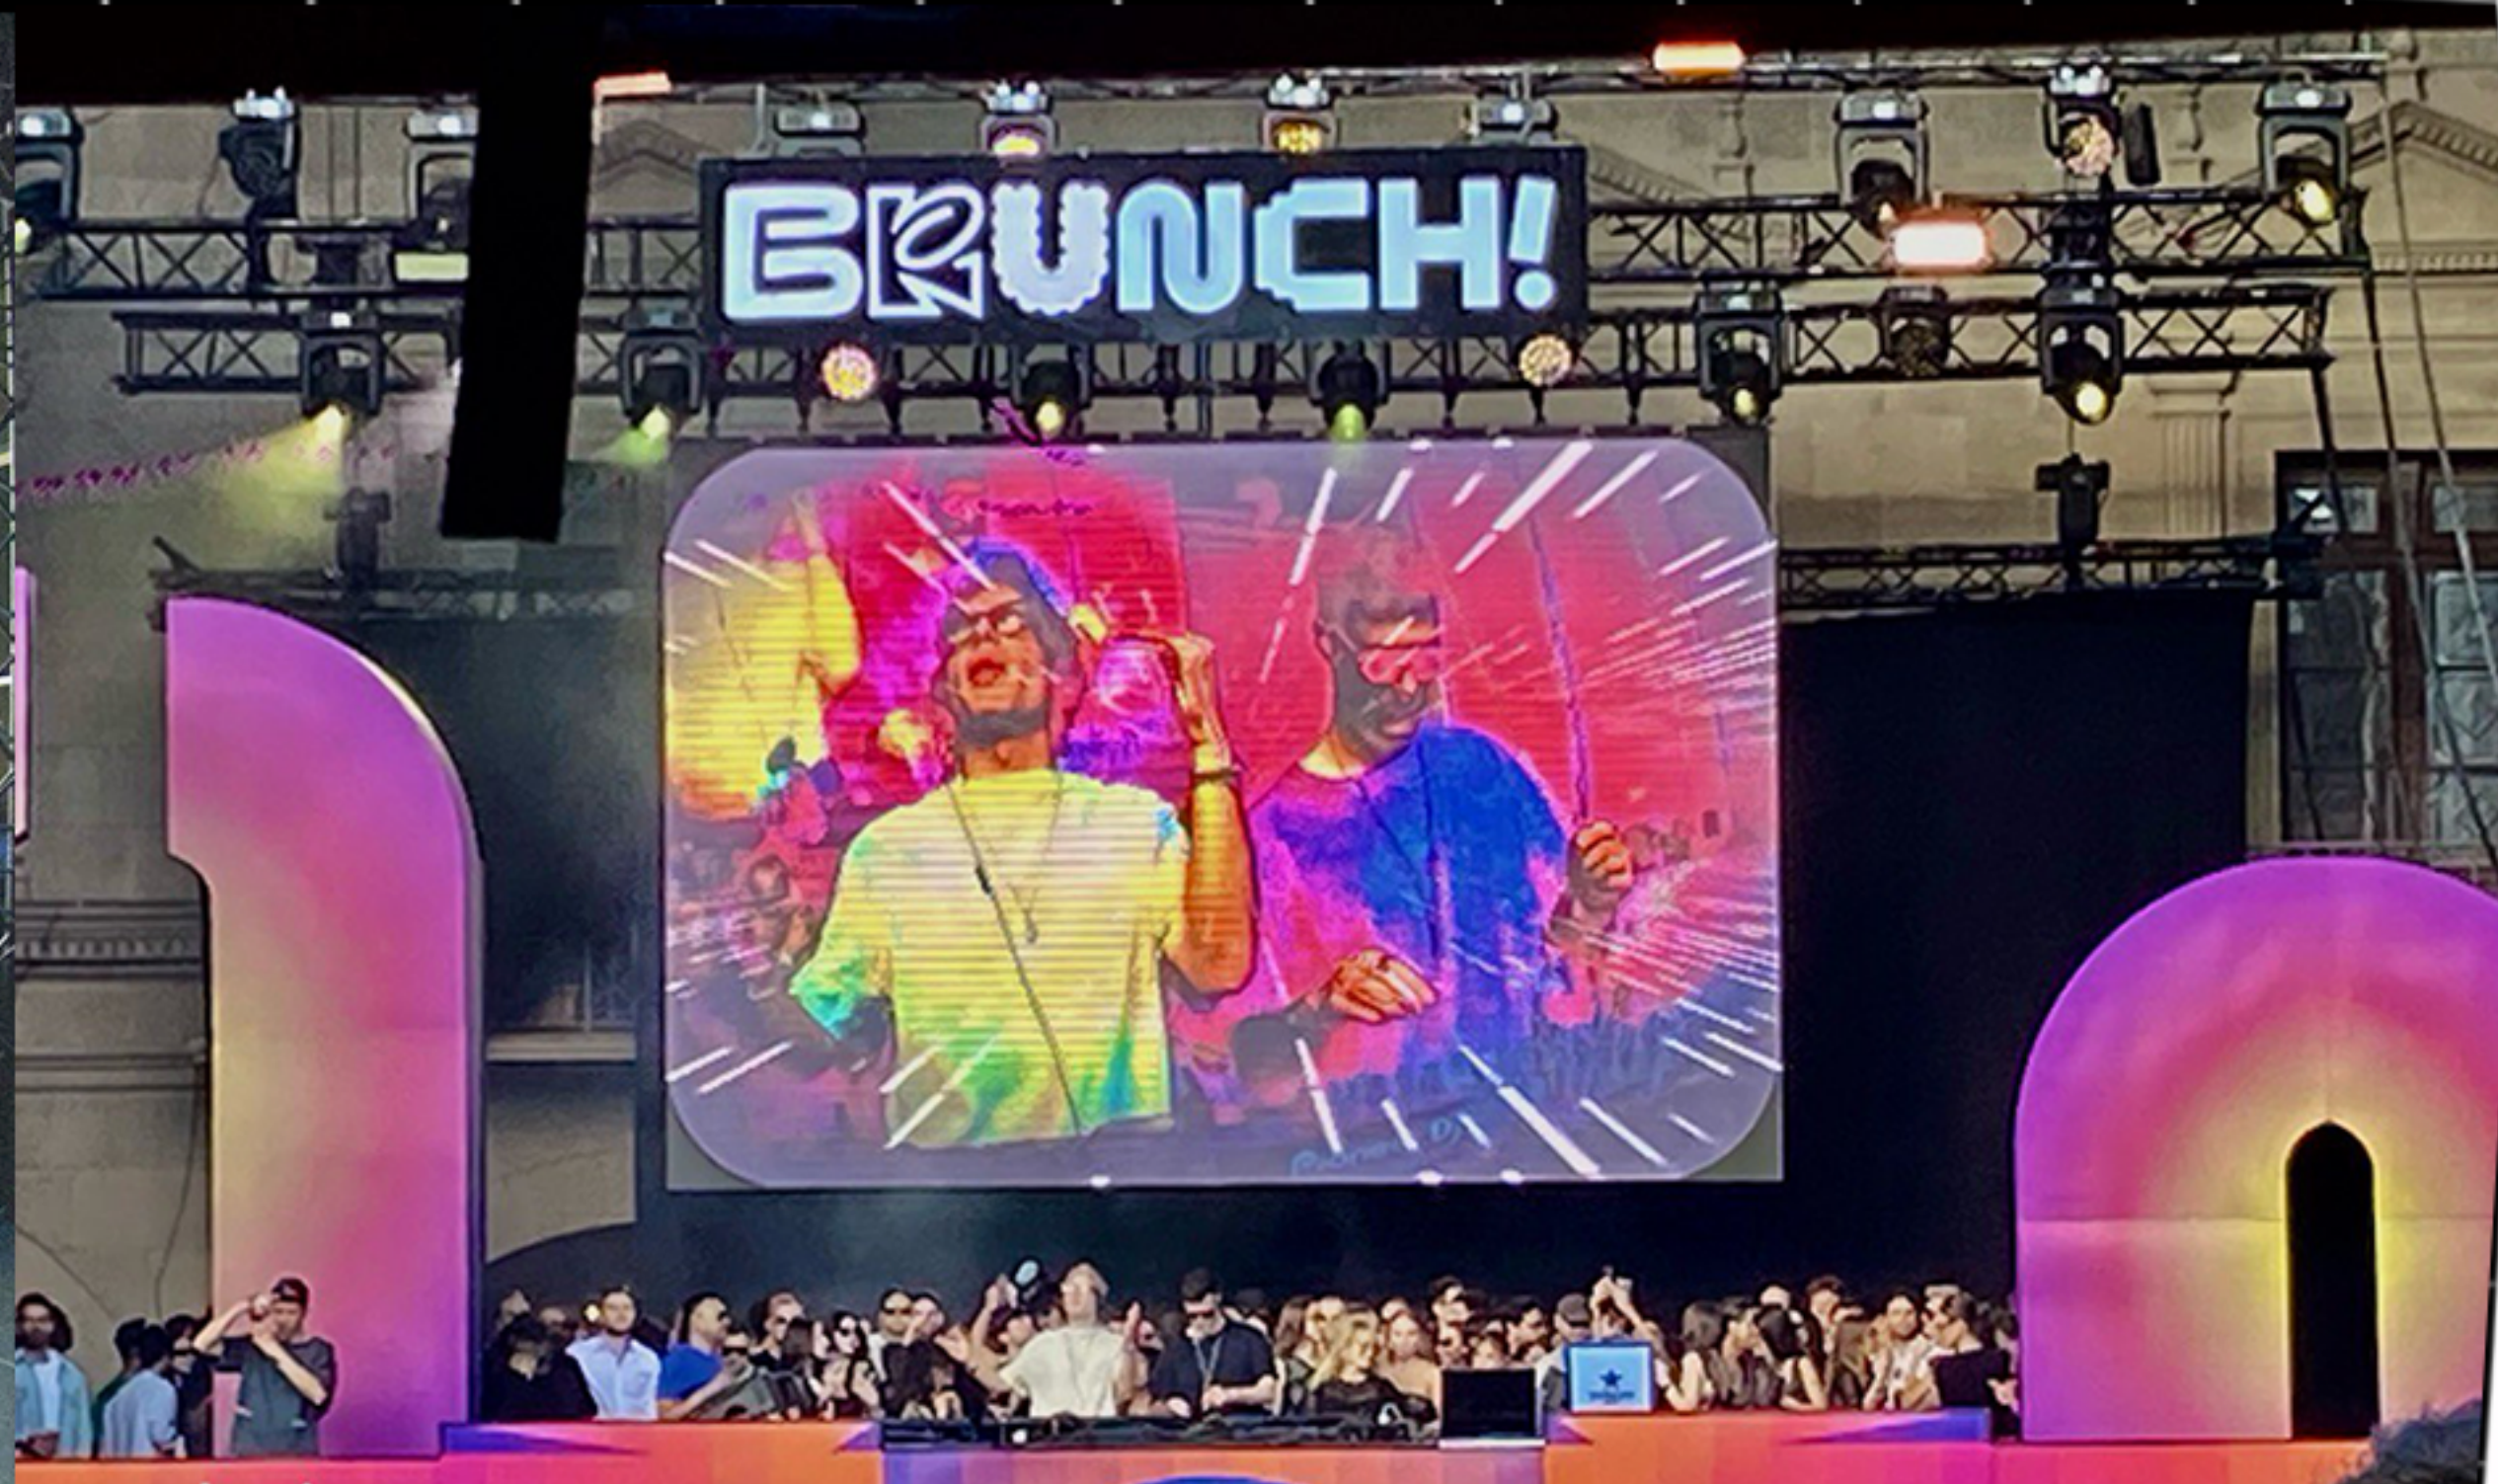

Jeff Mills 2018. Brunch in the Park

Carl Cox 2018. Brunch in the Park

Currently works as a freelance LED screen technician, working with Resolume and live visual systems.

Brunch in the City BCN 2025
